

Supplementary Information to the ATIPPA Review Committee
Provided by: Ms. Suzanne Legault, Information Commissioner of Canada
August 20, 2014

As promised, provided is some follow up information based on Commissioner Legault's appearance:

- [A French version of her speech](#) (This is a link to our website. Please let me know if you need this in pdf)
- [Laura Neuman's paper on enforcement models](#)
- [The website for the Extractive Industries Transparencies Initiative](#)
- [Minister Joe Oliver's speech announcing extractive industries reporting](#) and [related news article](#)
- [The Government of Canada's proposed Year 2 Open Government Partnership Action Plan Commitment on extractive industries reporting](#)
 - You'll note that the proposed commitment would require companies to publish data on the payments they make to governments in Canada and around the world.

I hope these documents will prove useful to the review committee.
